

ANANT NATIONAL UNIVERSITY

॥ प्रज्वालितो ज्ञानमयः प्रदीपः ॥

A student has the capacity to envision and the abilities to realize dreams.

She/he should be courageous, compassionate, perseverant and aware of herself/himself and the world around.

The entrance examination is therefore, divided into two parts :-

#1 Ability Test - 50 marks - (1 hour)

This test is for understanding the candidate's abilities/skills required to realize dreams. It consists of questions about awareness, observation, scale & proportion, communication and visualization.

#2 Capacity Test - 50 marks - (1 hour)

This test is for understanding the candidate's capacity to envision dreams. It consists of questions related to intellectual problem solving, analytical skills, courage, perseverance and presentation ideas.

Rough sheets if taken and used should be attached at the end each set.

COURAGE, PERSEVERANCE AND PRESENTATION (25 marks)

Now that you have designed your intervention, imagine how the same could be useful for a handicapped person - with mobility impairments – who needs assistance to move around.

In such a scenario, redesign or modify your intervention in such a way, that it is relevant to become more responsible and sensitive.

You can choose to rework on your previous design or design a new one altogether.

Write 100 words about your final design to explain your thinking and how it helps to promote design education, to students (especially the mobility impaired ones).
