

## **Anant National University to Conduct its 3rd Convocation Ceremony**

Anant National University, India's first design university, will conduct its 3rd Convocation ceremony on 4th October 2021, in Ahmedabad. India's first Pritzker Prize Laureate B V Doshi will be the chief guest and keynote speaker for the event. He has inspired generations of architects with exemplary award-winning projects such as Aranya Low-cost Housing in Indore, IIM Bangalore and Udaipur, CEPT University, Amdavad ni Gufa, among others. The event, held in blended mode, will be attended by graduates of class 2020 and 2021, faculty members and other dignitaries.

In its journey of 5 years, University has established itself as one of the most sought after design institutions in the country.

More than 300 students from Anant Fellowship, School of Architecture, School of Design and the first batch of Anant Fellowship for Climate Action will graduate this year. Around 162 students will attend the Convocation ceremony on campus and 141 students will join the event online.

In wake of the Covid-19 pandemic, the university has ensured to follow all the protocols pertaining to social distancing. It has made it mandatory for all students attending the convocation ceremony to be vaccinated with both doses of vaccine.

Friends and family of the graduating students will be able to view the convocation ceremony live on the university's YouTube channel.

### **About Anant National University:**

Anant National University (AnantU), is located in a lush green campus in the World Heritage City of Ahmedabad. It was established as a private university in 2016 by an Act of Legislature of the State of Gujarat. AnantU aims to bridge the gap between contemporary socio-economic challenges and sustainable solutions through design thinking. Its widely acclaimed, international, and national faculty facilitate a holistic design education with a liberal arts perspective. The academic experience at the university focuses on developing the self, while simultaneously building domain expertise and providing industry exposure.
