

## **Anant National University Achieves Prestigious 5-Star Rating in GSIRF Rankings**

**Ahmedabad, 6 December 2024:** In a significant achievement, Anant National University has earned its first-ever 5-star rating in the Gujarat State Institutional Ranking Framework (GSIRF) under the Architecture category and a 4-star rating in the University category. Competing against prominent institutions across the state, Anant emerged as a leader, doing exceptionally well in key parameters set by GSIRF. This recognition reinforces Anant's commitment to creating a world-class institution of great eminence and excellence.

The Gujarat State Institutional Ranking Framework (GSIRF) was introduced by the Knowledge Consortium of Gujarat (KCG) in collaboration with the Indian Centre for Academic Rankings and Excellence (ICARE), India's most trusted institution, ranking and rating authority. In line with the NIRF, it aims to create world-class institutions through a comprehensive assessment system.

GSIRF evaluates institutions based on rigorous criteria, including Teaching, Learning and Resources (TLR), Research and Professional Practice (RP), Graduation Outcomes (GO) and Outreach and Inclusivity (OI). Anant excelled in all parameters, highlighting that the university is committed to creating a learning environment that encourages innovation and creativity while preparing students to be adept problem-solvers.

Speaking on the occasion, Mr Ajay Piramal, President, Anant National University, shared, "This achievement is a proud moment for the entire Anant community and reflects our dedication to academic excellence and inclusivity."

Dr Anunaya Chaubey, Provost, Anant National University, said, "We continuously strive to enhance our academic performance and provide our students with the best learning experiences. This milestone motivates us to aim even higher in the coming years."

Anant provides world-class education in Design, Architecture and Climate Technology, offering state-of-the-art infrastructure, high-tech labs and a vibrant and diverse community comprising individuals from over 300 cities and 30 countries. Anant will add 10 new academic and residential buildings in the coming years, ensuring that students have access to the latest innovations in design and technology.

This recognition solidifies Anant's vision of being a leader in shaping future-ready solutionaries, equipped to make a positive impact on society.

## **About Anant National University**

Anant National University, India's first DesignX university, is dedicated to training students to devise solutions for global problems. The X in Design X is the symbol drawn from mathematics, representing enhancement. This new learning approach multiplies traditional design pedagogy with liberal arts disciplines, emerging technologies and knowledge drawn from hands-on community experiences to help understand our world better and to devise impactful solutions.

Our multidisciplinary undergraduate, postgraduate and doctoral programmes in design, architecture, climate action and visual arts harness knowledge from various disciplines and traditional practices to integrate it with cutting-edge technology to address diverse challenges. We train our designers to become solutionaries — revolutionary thinkers with a solution-oriented mindset.
