

Padma Awardee, Author and Philanthropist Mrs Sudha Murty to Address Anant National University Graduands

Mrs Murty will be the Chief Guest for the 6th Convocation of Anant National University

AHMEDABAD: Padma Bhushan and Padma Shri awardee, Member of Parliament - Rajya Sabha, Founder of Infosys Foundation, Chairperson of Murty Trust, author and philanthropist, Mrs Sudha Murty, will address Anant National University graduands during the 6th Convocation Ceremony, scheduled for 23 November 2024.

As the Founder Chair at the Infosys Foundation, Mrs Murty's approach to philanthropic work exemplifies a design-driven problem-solving approach, an ethos Anant National University supports. She has dedicatedly worked towards healthcare, education, women's empowerment and public hygiene, offering innovative solutions to real-world problems. Her contribution to society has been recognised with many prestigious awards. She was recently nominated as a Member of Parliament – Rajya Sabha - by the Hon'ble President of India.

In the past, convocations at Anant National University have been graced by Padma Vibhushan Shri B V Doshi, Padma Bhushan Shri N Chandrasekaran and Hon'ble Governor of Tamil Nadu Shri R N Ravi.

This year, 293 students will graduate from Bachelor of Design, Bachelor of Architecture, Master of Design and Anant Fellowship in Sustainability and Built Environment.

About Anant National University

Anant National University, India's first DesignX university, is dedicated to training students to devise solutions for global problems through creative thinking.

Our DesignX way is unique in helping young designers develop a better understanding of the context we live in through community immersion, innovation and collaboration. The core of our pedagogy is sustainable design multiplied by a host of knowledge disciplines and technology to make problem-solving impactful. Our multidisciplinary undergraduate, postgraduate and doctoral programmes in design, architecture, climate action and visual arts harness the knowledge from various disciplines and traditional practices to integrate it with cutting-edge technology to address diverse challenges.

We train our designers to become solutionaries - Revolutionary thinkers with a solution-oriented mindset.
