

## **Anant National University Hosts TEDx Event Celebrating Solutionaries**

**Ahmedabad, 3 April 2025:** Anant National University hosted TEDxAnant National University on 5 April 2025, a licensed TED event that brought together distinguished thought leaders, changemakers and sustainability experts for a transformative full-day experience. Themed Solutionaries, the event celebrated revolutionary thinkers with a solution-oriented mindset, featuring prominent figures who have significantly contributed to society through their work. The theme held special significance for Anant, as it aligned with the university's core values of nurturing individuals who can identify real-world challenges and craft sustainable solutions using design thinking principles.

Speakers included Shri M Nagarajan, IAS, Gujarat Cadre and VC and MD, GSRTC; Mr Sajith Ansar, CEO and Founder of Unlimits.ai and Idea Spice Design, Dubai; Mr Kiran Vaghela, Founder and Director, Hunnarshala Foundation; and Ms Dinie van den Heuvel, a PhD student at Anant National University and Creative Director, Infantium Victoria, Brussels.

Each speaker brought a wealth of knowledge, creativity and impactful ideas to the stage, inspiring participants with their remarkable journey and insights. From providing listeners with actionable insights on taking control of their future by design to exploring what discarded cloth pieces can teach us about creativity, sustainability and innovation, the sessions covered a variety of topics.

The evening concluded with a soulful performance by Anant's artist-in-residence, Ravice Rashid, from Kashmir. His heartfelt call to save Dal Lake left a profound impact on attendees, resonating deeply with the theme of Solutionaries.

Talking about the event, Dr Anunaya Chaubey, Provost, Anant National University, said, "TEDxAnant National University represents our commitment to fostering intellectual growth and providing a platform for ideas worth spreading. It reflects Anant's core value of creating and nurturing solutionaries who make a meaningful difference in the world."

TEDxAnant National University aimed to empower participants with a solutionary mindset, equipping them to drive meaningful change in their communities and beyond. The event took participants on an inspiring journey of discovery through ground-breaking ideas and achievements, leaving them with fresh perspectives and a renewed sense of purpose to make a positive impact on society.

## **About Anant National University**

Anant National University, India's first DesignX university, is dedicated to training students to devise solutions for global problems. The X in Design X is the symbol drawn from mathematics, representing enhancement. This new learning approach multiplies traditional design pedagogy with liberal arts disciplines, emerging technologies and knowledge drawn from hands-on community experiences to help understand our world better and to devise impactful solutions.

Our multidisciplinary undergraduate, postgraduate and doctoral programmes in design, architecture, climate action and visual arts harness knowledge from various disciplines and traditional practices to integrate it with cutting-edge technology to address diverse challenges. We train our designers to become solutionaries — revolutionary thinkers with a solution-oriented mindset.

Anant National University has been awarded the prestigious '5-Star Rating' in the category of Architecture and a '4-Star Rating' in the University category in Gujarat State Institutional Rating Framework (GSIRF) 2023-24. This recognition reinforces our commitment to creating a world-class institution of great eminence and excellence.
